## Alleged Gambling At Country Fair

"Father has no statement. There was nothing going on to make a statement about." Thus a spokesman for St. Peter's Parish summed up a rather hectic weekend of abortive fund raising activities sponsored by the Knights of Columbus at St. Peter's Church in Antioch.

According to police Sgt. R. E. Pett four booths at the carnival were closed on Thursday August 5 for participation in alleged gambling: betting on numbers, cards, roulette wheels and bingo. Mike Haley, who was in charge at the time, agreed to the closing because he was afraid the entire carnival would be closed if the gambling continued.

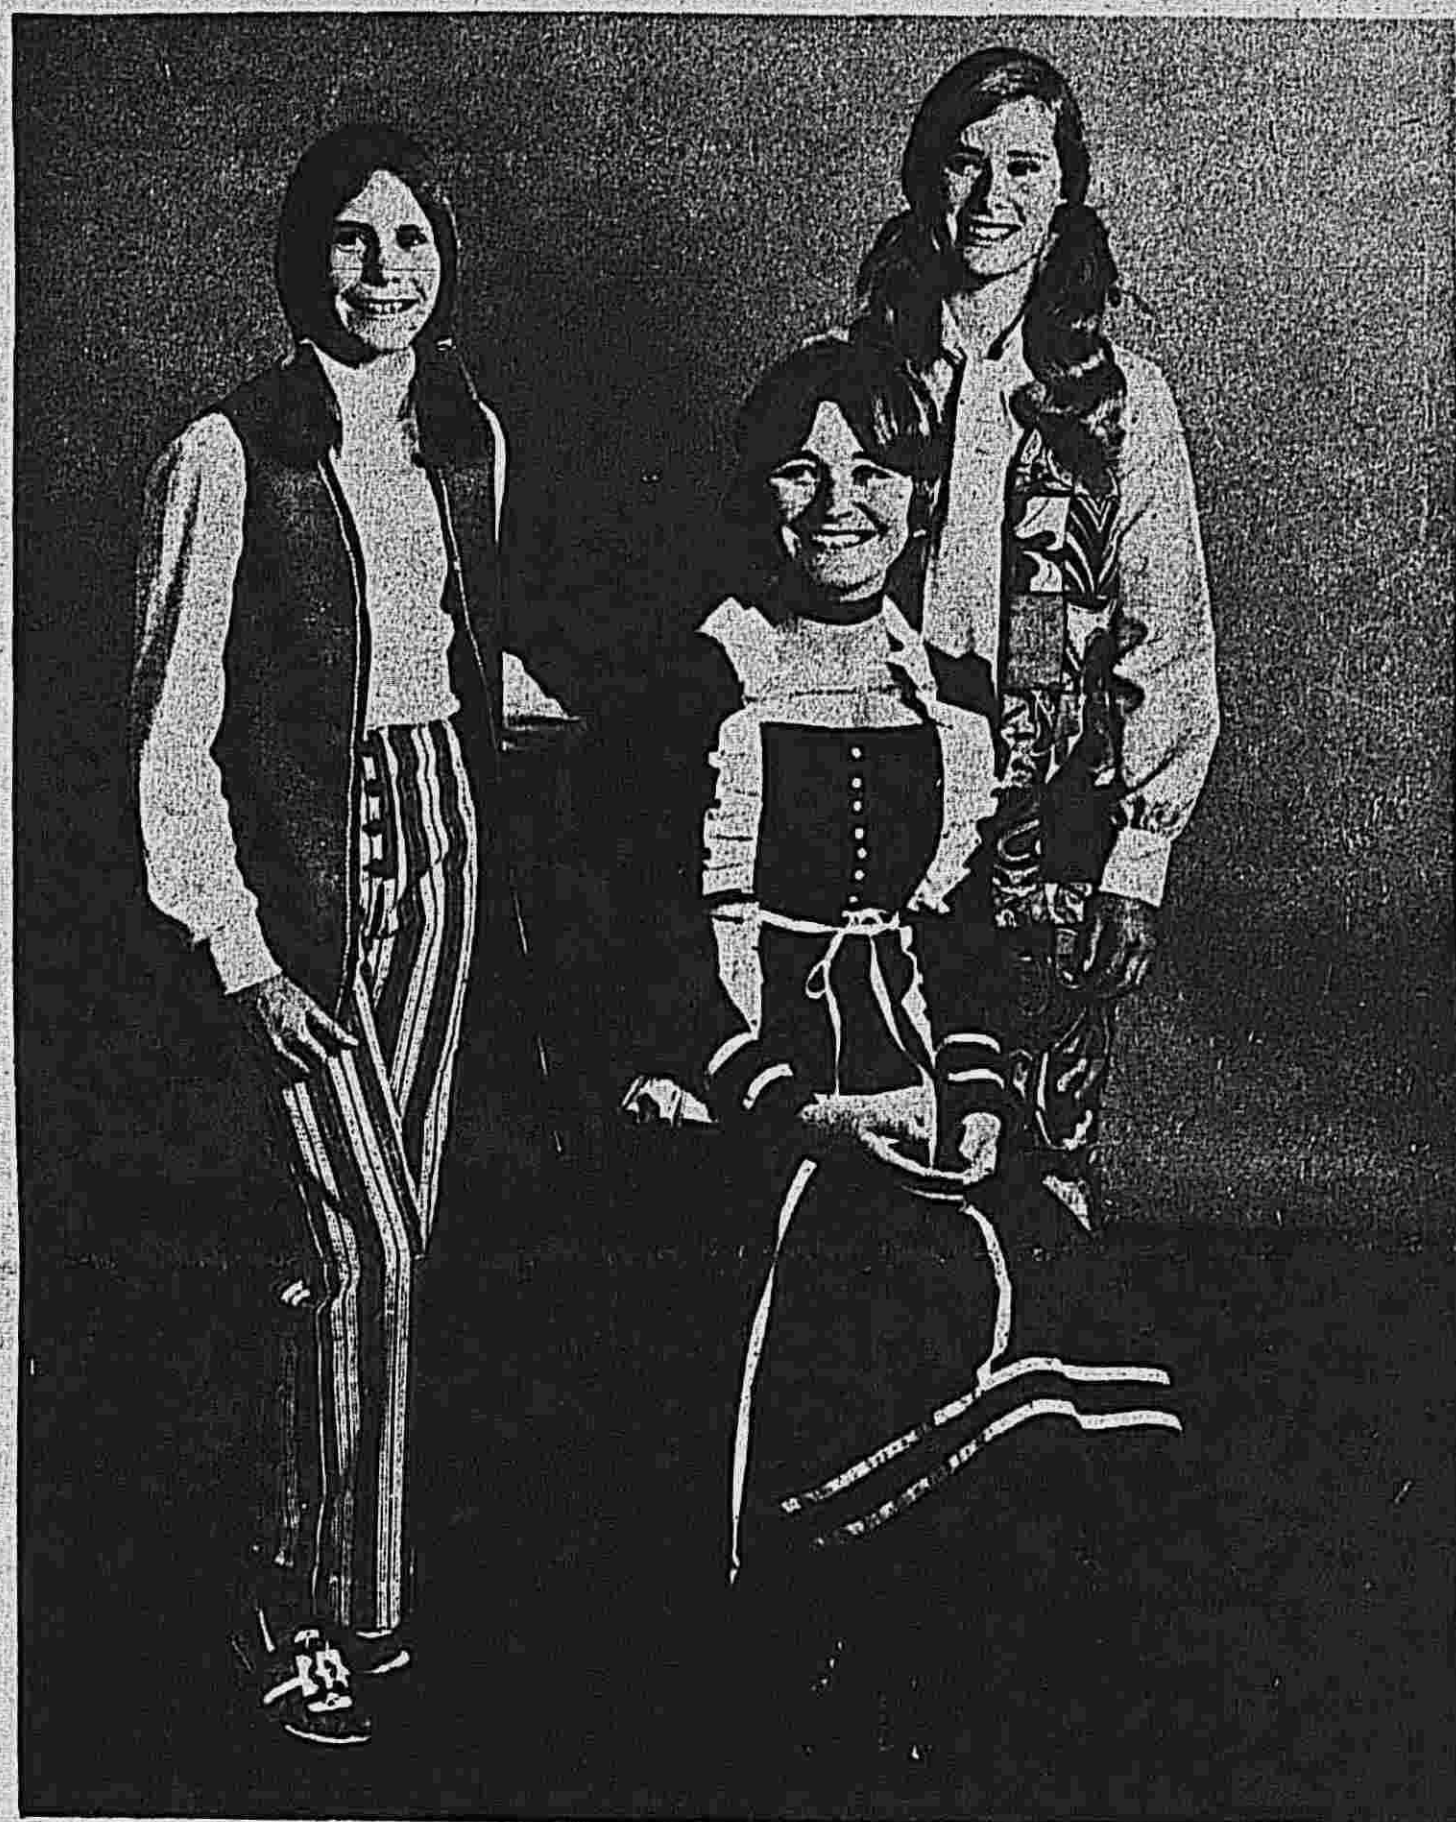

On Friday August 6, Sgt. Pett and officer C. Miller, acting on a complaint signed by Marge Nelson, again entered St. Peter's recreation hall and closed down all booths for supposed gambling.

Saturday, August 7, saw two complaints issued by Mrs. Nelson, the first at 8 p.m. and the second at 10:30 p.m. after being informed that booths which had been closed down earlier in the evening were again operating. On Saturday the complaints were acted upon by Police Chief Jack Davis.

The KNights of Columbus who sponsored the event were advised six months ago that they could NOT have gambling as part of their fund raising activities. Recently, the Prince of Peace Parish in Lake Villa supposedly had a similar and very successful money raising affair and were not closed down. All the proceeds from this affair were to go to help support St. Peter's Elementary School.

Marge Nelson, member of the Antioch Village Board, signed three of the four complaints issued against the carnival. "No gambling, that's it," was her reply when asked why she had taken her strong position against the alleged gambling booths. "It is illegal," and to allow it to continue would be "setting an illegal precedent." Mrs. Nelson felt that "it makes the police department look foolish" to have them open the booths within minutes after the police had left the premises. "If we have law enforcement officers, why can't they enforce the law?"

St. Peter's felt they were within the law when they stopped awarding money as prizes for various games and switched to merchandise. Mrs. Nelson's reply to this was that she had checked the law and discovered that it was "illegal even to gamble for peanuts."

Three Sequoit Suzies appeared in the honor group during the Lake County Fair Style Show. Left to right are Rosaline Scheske, Sue Hevrdejs and Wanda Springer. Rosaline Scheske received a Grand Champion in sports clothes and Alison Hevrdejs in Crocheting. More 4-H honors on following pages.

## Community Theatre Week

With the proclamation of the week of August 9 as "Community Theatre Week", by Mayor Toft, the Palette, Masque and Lyre Theatre will also kick off its annual season subscription drive. Pictured above, left to right, are Fred Holbert of the Board of Directors, Betty Smouse, Mayor Ray Toft, President of PM&L Ken Smouse, and Gerald Pettera of the Board of Directors.

## Salary Increase At Antioch G.S.

Superintendent Henry Meyer said, discussing Antioch Grade School administrative salary increases averaging approximately \$980 per year, "Salary increases ranged from a 1.9% increase to 16% increase in an attempt on the part of the Board to adjust salaries according to the training, position and experience of the man."

Carol Latimer was accepted as a replacement for Mr. Duckles in the math department at the Antioch Grade School Board of Education meeting on August 3. She is a Carthage College graduate and will receive a beginning salary of \$7,700.

The school ground layout for the development of the Upper Grade School site was presented by David Kropp of the Franz Lipp-Marvin Wehler Partnership. Work is intended to begin

soon with the bidding and awarding of the contract for grading. This is the first step in getting work done this fall.

Salary consideration was a topic of the Antioch Grade School Board of Education at their special meeting of August 5. Results of the meeting were the passage of an average salary increase for custodians and cooks of 5.6% and an increase in administrative salaries of 5.9%.

As a result of the increase, head cooks will receive a \$150 increase, assistant and part time cooks receiving the equivalent of \$130 more per year depending on the amount of time they work.

Daytime custodians in the Antioch Grade School district will make \$178 more per year. Second shift men will receive \$183 more and third shift men a \$186 increase.

## EVANGELIST TO VISIT ANTIOCH FREE CHURCH

Rev. Bernard Fosmark of the Antioch Evangelical Free Church, Tiffany Road at Highview, Antioch, Illinois, informs us that the MUSICAL DALZELLS from Minnesota will hold a service Tuesday, August 17, 1971 at 7:30 P.M.

The five Dalzells play a variety of musical instruments including a Spanish and Bass guitar, ukeleles, an accordio-organ and a mandolin. There is also a variety of vocal arrangements.

Evangelist Floyd Dalzell began travelling with his father when just a young boy, sharing in the musical ministry. Since then he has spent many years traveling with his family in evangelistic work. Rev. Dalzell links the message of Christianity to the needs of today. His wide experience in preaching to many evangelical groups -- Bible camps, city-wide crusades and individual church crusades with both evangelistic and deeper-life emphasis -- has taught him ways to help people find FAITH for these troubled times. Pastor Fosmark says that people of the area will not want to miss the visit of this

## UNEMPLOYMENT SURVEYED IN AREA

Local representatives of the Bureau of the Census, U.S. Department of Commerce, will visit a number of households in this area the week of August 16 to obtain information on employment here. Curtis T. Hill, Director of the Census Bureau office in Chicago, in making the announcement, said the households are among the 50,000 across the country that have been scientifically selected to represent a cross section of the American People.

The survey, which the Bureau conducts each month for the U.S. Dept. of Labor, provides a continuing measure of employment and unemployment for the Nation. For example, on a seasonally adjusted basis, the overall unemployment rate dropped from 6.2 percent in May to 5.6 percent in June. Total employment fell one-half million to 78.4 million, the same level as in March.

Information supplied by individuals participating in the survey is confidential by law and results are used only to compile statistical totals in which no individual or household can be identified.

### I Thought

I thought I was hard pressed, too much work, too tired and I felt things were not going as they should. Then I met a wonderful woman who was hard pressed, with lots of work, and things have not gone well for her. The difference is that I can walk and I have my health, and she will most likely never have either.

This fine person in our community who has done so much for so many was a joy to meet. In her condition most of us would do nothing, but she has been and will continue to be one of the most active persons I have had the pleasure to meet.

It would be well for all of us from time to time to look around and to see just how lucky we are.

Most of us in Antioch are working and can provide to varying degrees a living for our families. We live in a wonderful community, not perfect, but very good, none-the-less.

From time to time all of us feel that the world has turned its back on us, but maybe that's the time we should—as the saying goes—count our blessings.

As publisher of the ANTIOCH NEWS, I would like to give a special thanks and congratulations at this time to Mrs. Edward (Del) Jahneke. She sees the world through books, the telephone is her company, the written work her message and her husband her champion.

## ATTITUDE

Your attitude toward many events which affect your life determines the extent of both success and happiness. A failure to one person may be a success to another—it is all a matter of attitude. The answers to the following questions tell why.

**Are you Lucky?** Luck is what happens when effort and opportunity meet.

**Are you Courageous?** Courage is not freedom from fear; it is being afraid and going on.

**Are you Doubtful?** When there is doubt, supplant it with action.

**Are you Happy?** Some act as though comfort and luxury were the chief requirements of life. All we need to make us really happy is something to be enthusiastic about.

**Are you Lazy?** Some folks never travel far enough to reach a destination because they plan their course by lassitude and loungetude!

**Are you Optimistic?** The same rain that saves the optimist's lawn, makes the pessimist's weeds grow faster.

**Are you Positive?** Positive anything is better than negative nothing.

**Are you Miraculous?** Miracles sometimes occur, but one has to work terribly hard for them.

## Letters to Editor

### Clean Our Lakes

"Could this possibly be added to Antioch's sewage disposal in order to clear the 'green stuff' from the Chain O Lakes?" asks Mrs. Edward Caulfield enclosing the following clipping from "First Aid to the ailing home" from the August 6 edition of the Chicago Daily News:

Down a hill in our woods we have a small pond fed by a brook. Occasionally my wife, Hope, and I go there for some fishing or nature watching. But one day I went and found it solid green with algae. I went to the farm supply store for some copper sulfate crystals and a guesstimate on how much I'd need. We figured a pound and a half (two acre feet; it's just a little pond.) Then I put it into a burlap bag, tied it to the stern of our aluminum fishing boat and towed it around in circles until it dissolved.

A very relaxing do-it-yourself project. It works, too. Water turns nice and clear again in a fairly short time. Don't exceed recommended dose and you won't kill fish or frogs, either.

Mrs. Orphan  
Route 2 Box 334  
Antioch, Illinois

Dear Mrs. Orphan:

Within the past few days, I have received the return of my Medic-Alert (Diabetes) Identification Bracelet from you. I understand that it was recently found by your son along Illinois Highway Route 173 near Antioch. The bracelet must have fallen from my wrist during a recent drive to Chicago from Elkhorn, Wisconsin.

I can readily appreciate the time and effort expended voluntarily by you, in searching for and locating me, in order to assure the return of this most valuable and life-protecting symbol to its true and dependent owner. The recognition of the importance of this bracelet by you and your son, as well as, your prompt and effective effort in restoring it to its owner is indeed remarkable. Your humane conduct serves mightily to fortify one's faith in mankind.

My primary purpose in writing is to express my deepest appreciation for your kindness and although a financial reward would hardly serve to express my gratitude, I am nevertheless, enclosing a token as partial reimbursement for your efforts. Also, I have transmitted a copy of this letter to the "Antioch News" with the hope that it may be published as a tribute to you and your family. Surely, your goodness and honesty should not go undistinguished.

My sincerest and most heartfelt thanks.

Respectfully yours,  
Leonard Kravets

(The young man referred to in the above letter is Nick Orphan, 13, of rural Antioch. The ANTIOCH NEWS would like to add its congratulations to those of Mr. Kravets for this outstanding example of concern for another person.)

With fall just around the corner and all the many organizations beginning their meetings, we will try to bring you a few different desserts for your special hosting.

## CHOCOLATE ANGEL DESSERT

2 pkgs chocolate chips      2 Tbsp sugar  
4 eggs                              1 tsp vanilla  
1 pint whipping cream      1 pinch salt  
1 cup chopped nuts      graham cracker crumbs

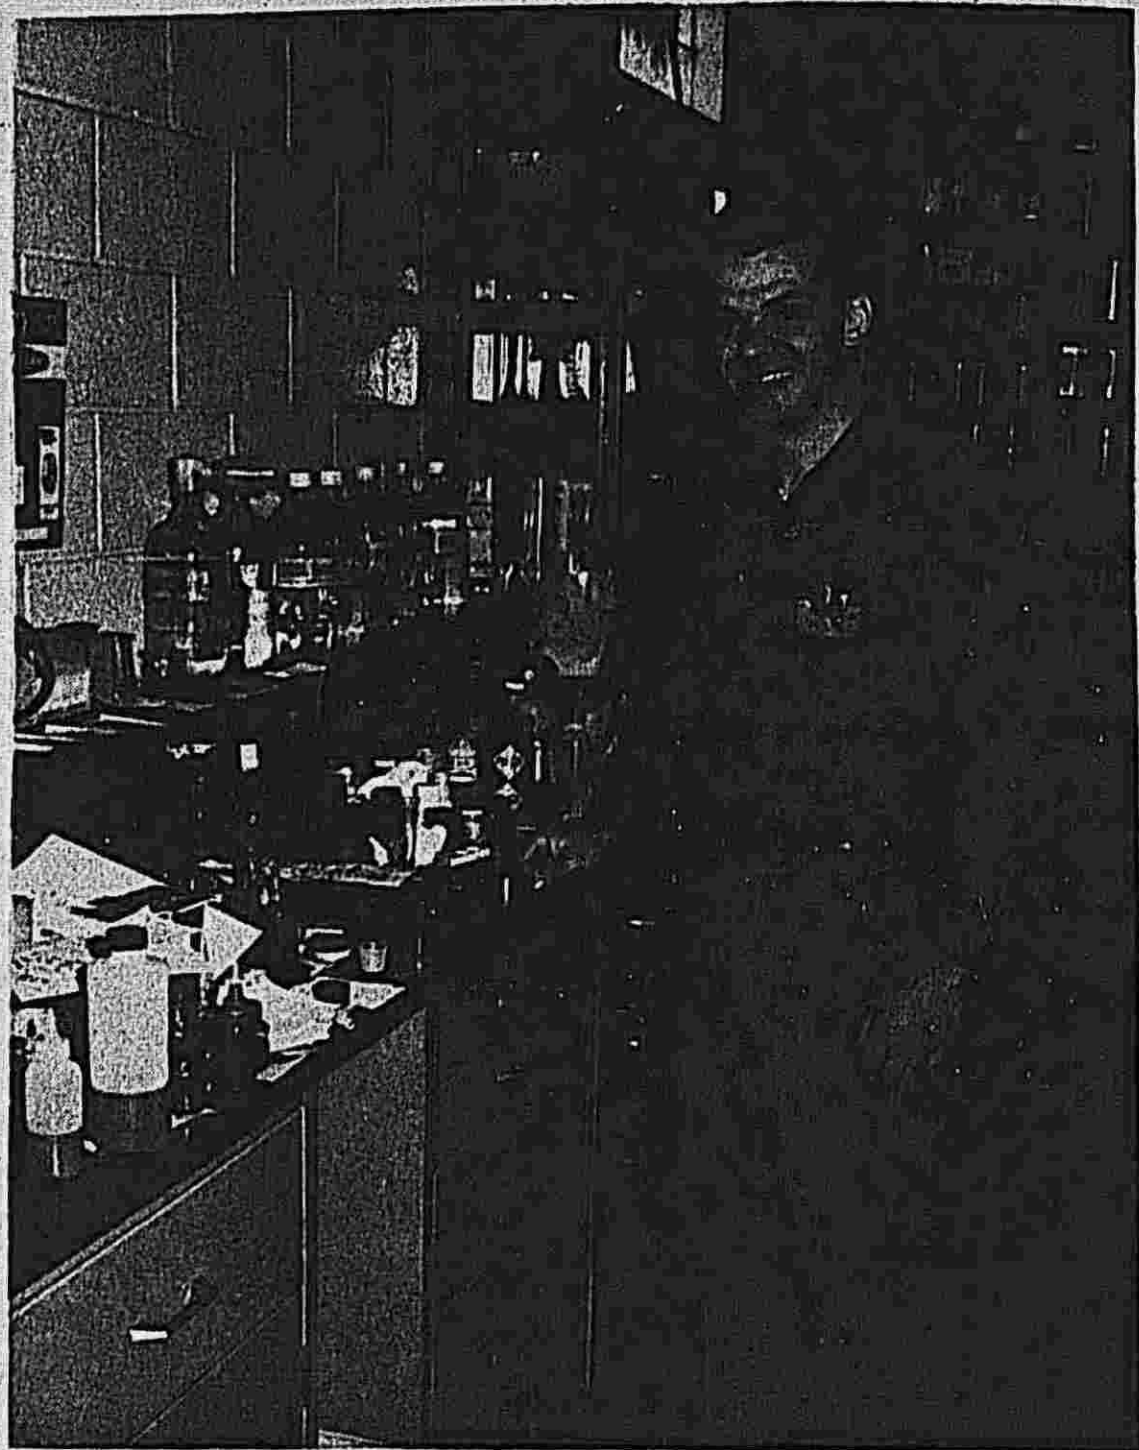

Melt chocolate chips in top of double boiler. Separate eggs. Beat egg yolks & add to melted chocolate chips. Beat egg whites and add sugar and salt, then add to chocolate mix. Let cool. Beat whipping cream and fold into mix, add vanilla and nuts. Spread graham cracker crumbs on bottom of 7 x 12 pan, then pour in mix and top with crumbs. Let set in refrigerator for 3 - 4 hours or over night.  
Serves 16.

Antioch's Industrial Park was not much more than an open field when Carl B. Doty, president, moved the Chicago Ink and Research Company from Mount Prospect, Ill. to Antioch. The ink manufacturing company had been started in Chicago in the mid 40's and had moved to Mount Prospect one or two years later before becoming the first plant to locate in the industrial park.

Under the direction of Art Doty, General Manager, and Charles Doty, Research Chemist, the company manufactures some 500 different types of ink plus the various colors. One of their special inks is used in the pens used by T.V. weather men as they make their on-camera explanations.

The bulk of the company's products find their way into industrial uses from marking trademarks on building products to commercial printing. Rubber stamp inks are another major product. The company even puts out an invisible ink which is read under ultra violet light for "pass out" purposes when a person has paid his admission but wishes to leave an area or event and return without paying another fee.

Industrial inks must be formulated to the exact specifications demanded by the product. An ink which prints well on paper may not be of much use on metal. When a sample of the material to be printed upon arrives at Chicago Ink and Research a survey of existing inks is run through to see an existing formula will work. If no stock ink answers the customer's demands then all available literature on the product is examined to better

Charles Doty, Director of Research at Chicago Ink and Research Co.

understand the nature of the material and process of developing a special ink is begun. Various solvents, resins and pigmentation materials are checked until the proper ink is produced to do the job.

The operations of the company are far more extensive than the size of the plant and its work force would indicate. The inks are shipped from Antioch to customers throughout the United States and Canada and are known industry-wide by the trademark "Marksman" ink.

## CLC Plans Fall Semester

"Classes for the 1971 fall semester at the College of Lake County will begin early this academic year," according to A. Harris Moeller, Director of Admissions. "Most day and evening classes will begin Monday, August 30 with registration to be conducted from August 23 through August 27. The early beginning date for the fall semester is new for this coming academic year, enabling the fall semester to end December 22, prior to the Christmas break."

The College of Lake County will offer a wide range of courses for the fall semester during the day and the evening hours. In addition to courses offered at the CLC campus, the college will conduct evening classes at the Waukegan High School, West Campus, and Lake Zurich High School.

"The College of Lake County is still accepting applications for admission from new students planning to enroll on a full-time or part-time basis for the fall semester," continued Moeller. "Persons planning to enroll as full-time students (12 or more semester hours) must submit an application for admission, a completed CLC health form, official high school and college transcripts and scores from the American College Testing Program. Persons planning to enroll as part-time students (11 or fewer semester hours) must submit only an application for admission."

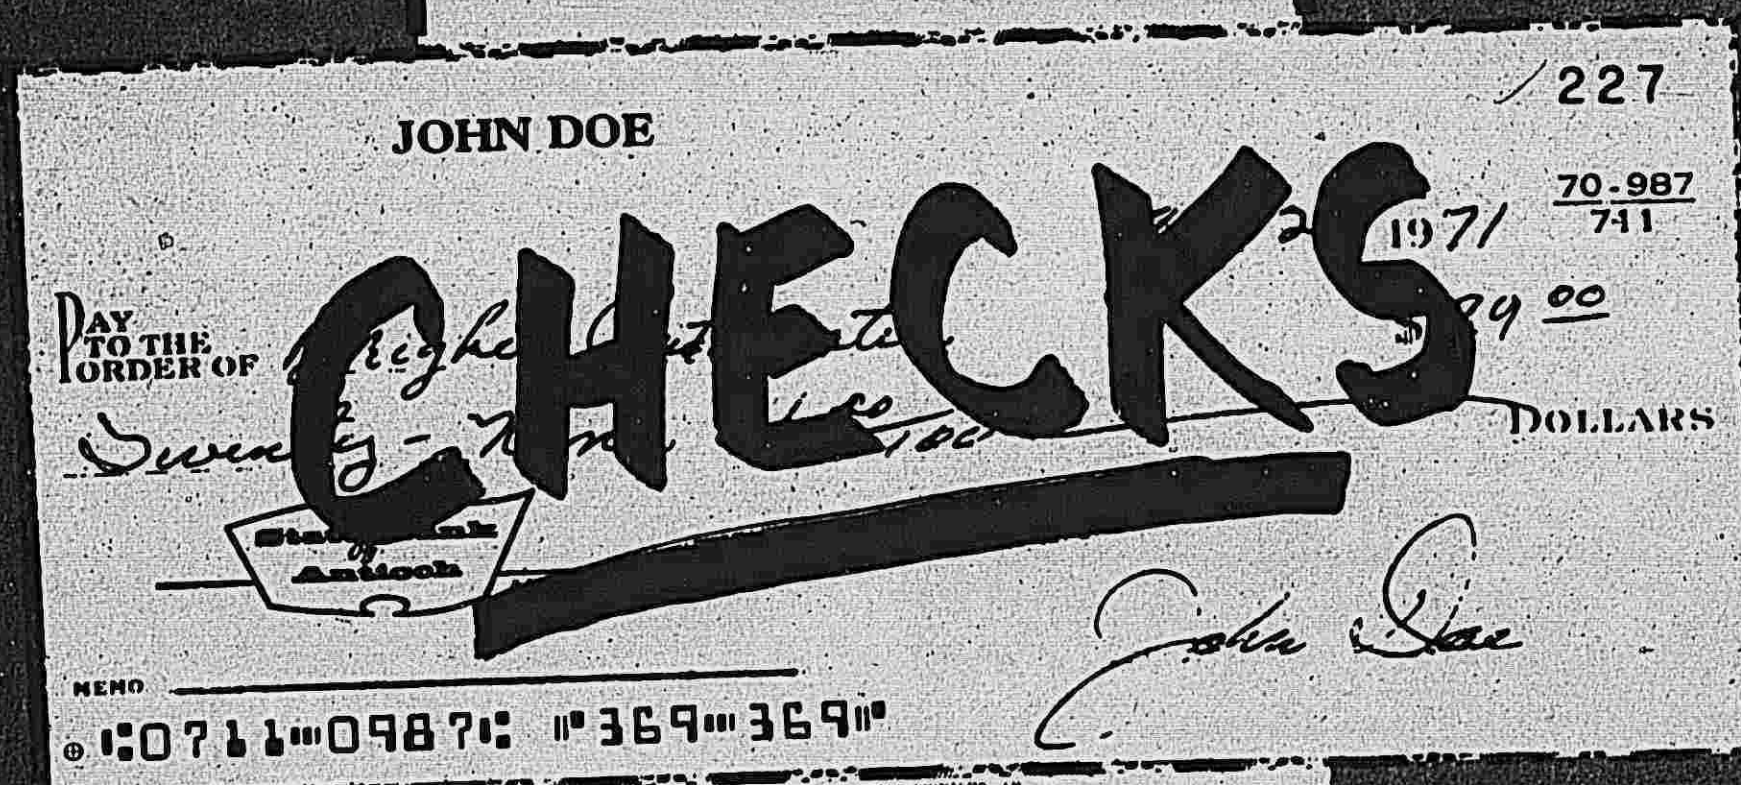

Throughout the summer, new full-time applicants have been participating in orientation and educational planning sessions with CLC counselors. All full-time students will register by appointment 9 a.m. to 4 p.m., Tuesday, August 24 through Friday, August 27. New full-time students will be assigned a registration appointment after submitting the necessary items for admission and participating in a required orientation session before August 20.

Registration for part-time students will be conducted during the evening, 6 p.m. to 9 p.m. August 23 through August 27. The registration schedule for part-time students is listed in the 1971 fall semester course schedule presently being distributed in Lake County. Interested persons who have not obtained a fall semester course schedule via mail prior to August 13 may call the Admissions Office at 223-8193 for a copy of the schedule or for additional admissions or registration information.

## Fire Department Hosts Water Fights

The Antioch Fire Department hosted 22 men's and 11 women's teams, water fighting on Sunday, August 8. The weather was hot, and the water felt cool. Ask any little tyke who was there. They got wetter than the barrel! Even saw a woman chasing her shoe in the gutter.

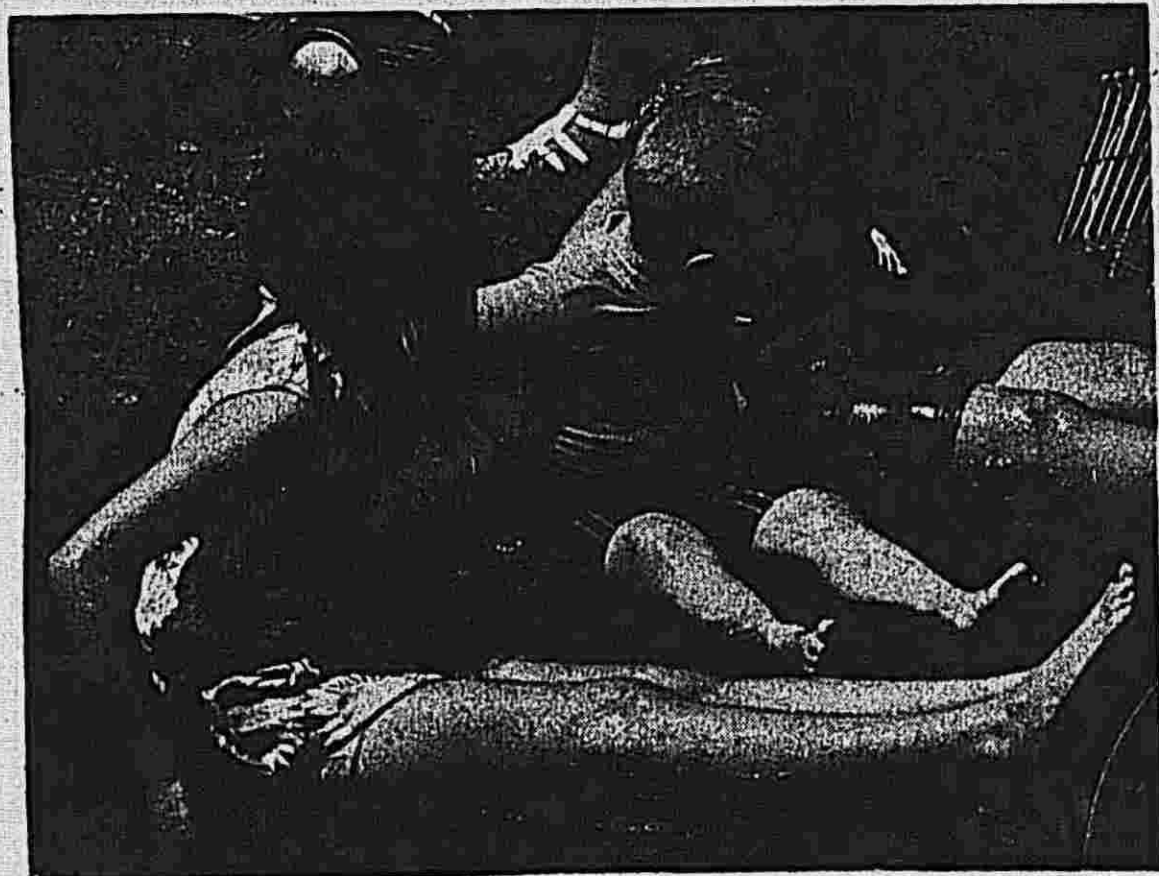

The teams that were victorious in the end were:

### MEN

1. Silver Lake, Wis.
2. Wilmot, No. 1
3. Wilmot, No. 2

Even the girls join the contest at Sunday's water fights!

We all had fun at the water fights.

### WOMEN

1. Fox Lake
2. Gurnee

The Illinois teams didn't fair too well, but they'll be trying again next Sunday at the Kenosha County Fair in Wilmot, Wisconsin.

## American Legion Auxiliary News

Honors were received by several members of the 10th district American Legion Auxiliary at the recent State Convention of the Auxiliary, held at the Sherman Hotel in Chicago.

The 10th District Publicity Press Book, compiled by Mrs. Edward Jahneke, Antioch, was declared first in the state. Mrs. Jahneke received a laminated trophy plaque as first prize. She was also given a cash award for having written the most column inches of publicity state-wide.

Mrs. A. J. Dorn, as Mundein Unit children and youth chairman, received an award for having written the best unit report in the state.

Special recognition went to Mrs. Philip Strand, Libertyville, and Mrs. Logan Kennedy, Baxter Evans Unit No. 548; for their 1,000 hours of dedicated volunteer service to VA hospital patients at Downey Hospital. They were honored, with hundreds of other legionnaires and Auxiliary members from throughout the state, at the Rehabilitation Forum.

Miss Diane Holt, North Chicago, a junior member, was one of the State President, Mrs. Bernard Schmidt's Personal Pages; and Mrs. Henry Reinke, Waukegan No. 281 (a Past President of the Antioch Unit) served as a Judge of Elections.

A Veteran's Craft Banner was presented to the 10th District for having gained a higher percentage of sales in this program. Lake Zurich Unit, with over \$900.00 in sales, has sold the largest amount of veteran craft articles in Lake County. Through the state past presidents' parley program, twenty \$500. nursing scholarships were given to 20 high school graduates, and \$1,500.00 was contributed to the maintenance of the Veteran's Craft Exchange.

Due to the efforts of the coupon committees and contributions from American Legion and the Auxiliary members, the State President's special project of providing an ambulance for Quincy VA patients became a reality. This \$14,000.00 fully equipped ambulance is to be used in transporting elderly VA patients from their Quincy nursing home to a nearby hospital.

The Illinois American Legion Auxiliary went "over the top" with over 100% in membership - over 73,000 members.

Two highlights of the Convention were the speeches of State Governor Richard Ogilvie and the National Auxiliary President, Mrs. Charles C. Shaw of Mattoon, Illinois, which were both inspiring and impressive.

Only a few of the state appointments are known at the present time. Mrs. Norman Holt, North Chicago, Department Assistant Sergeant-at-arms; Mrs. A. J. Dorn, Mundein, State Junior Membership Chairman; Mrs. John Chudzik, Lake Zurich, Department Board Member of the Veterans' Craft Exchange for the next three years; Dept. committee member of Children and Youth program, Mrs. Herbert Gleason, Libertyville; and State committee member on membership, Mrs. Ray Rathmann, Antioch.

Mrs. Rathmann and Mrs. Jahneke represented the Antioch Unit at the state convention.

Mrs. Edward Jahneke, 10th District Publicity Chairman and Antioch Unit publicity chairman of the American Legion Auxiliary, displays the 10th District Publicity Press Book which won the first prize in state competition and some of the many awards she has received in the past eight years. In the eight consecutive years of state competition, Mrs. Jahneke has won four first prizes and four second place awards. This year she also received a cash award for having written the most column inches of publicity, state-wide. These honors were conferred on her at the State Convention of the Illinois American Legion Auxiliary, held at the Sherman Hotel in Chicago on July 30, 1971.

### BENEDICTINES HOLD CHICKEN DINNER ON AUGUST 22

The Benedictine Sisters at Benet Lake, Wis., are continuing in their efforts to add to their Convent Building Fund and will hold their annual Chicken Dinner Festival on their grounds on Sunday, August 22.

Benet Lake is located on the Wisconsin-Illinois State Line. The convent may be reached from County Hwy. V in Salem Township and is also just three miles northeast of Antioch, Ill.

Dinner will be served RAIN OR SHINE under tents from 11 a.m. to 7 p.m. Come and bring your friends!

### SOCIAL NOTES

by Del Jahneke

At the recent meeting of the Antioch's Lakeside Rebekah Lodge No. 82, held in the Antioch American Legion Home, Mrs. Clarence Larson, Noble Grand, was the presiding officer. A beautiful silk American Flag was presented to the Antioch Lodge by Mr. and Mrs. Clarence Perkins of Lake Villa. Clarence Perkins was given his 50 year Jewel as a Rebekah member. Earl Horton and Nelson Drom received their 50 year Jewels at a previous time. In addition to the Antioch members, were three guests from the Waukegan Lodge No. 340 - Mrs. Verna Gahagen, Mrs. Frances Rasmussen and Mrs. Winifred Davis. Lakeside Rebekah Lodge members remind the public that they will be holding another public card and bunco party, at 12:30 p.m. on August 19th at the Antioch American Legion Home. Refreshments will be served.

Mrs. Ray Rathmann, accompanied by her daughter, Susan, attended a bridal shower for her niece, Darlene, daughter of the Patrick Cospers of Wheeling, on Wednesday, Aug. 4. The party was held at the home of Miss Rhonda Luff, bridegroom-to-be's sister; Plum Grove Estates in Palatine. Miss Cospers received many useful and lovely gifts.

"Dinner at Sabatini's in Ingleside (Check ad in OUR paper) completely captivated the interest and taste buds of the Deke Kiemle's, the Robert

Dunlap, Jr.'s the John Handschiegel's, Phil Dziki and Miss Peggy Wilson, all from the Grass Lake Area, last Wednesday evening.

Mrs. Edna Rathmann, Oakwood Knolls, is still a patient at Victory Memorial Hospital in Waukegan. She isn't feeling well enough for company, but cheery cards are always welcome. Walter Hills has been transferred from St. Luke's Hospital in Milwaukee back to Victory Memorial. It can't be repeated too often how pleasant it is to hear glad tidings from good friends!

The Bernard De Vries family, North Avenue, are now "at home" from a three week vacation, camping in various vicinities in Wisconsin. They spent a week at Sparta, at Sam DeVries' home-Bernie's parents. While there, they had the first family reunion of the four DeVries brothers since 1943. Bernie, Tom, from La Crosse, Wis. Morris from Los Angeles, Calif. Gordon from San Antonio, Texas; were there with their families, and Bernie's daughters, Mrs. Dan Martin, North Chicago; and Mr. & Mrs. Robert Janunas of Waukegan, and other relatives made this gathering a large happy reunion. The Antioch DeVries then traveled to Franklin Lake in Nicolet Forest. They admired the natural beauty of their surroundings and seeing the deer in the forest, but they did NOT enjoy one of nature's bounties-a torrential downpour of rainfall that lasted many days. On their return home, they stayed at Tomahawk, where they did have fun fishing and swimming! Well, there's no place like home!

Jensen-Crellin

"We've Only Just Begun" was sung as part of the ceremony at the United Methodist Church on August 7 as Melonnie Jensen, daughter of Mr. and Mrs. Robert Jensen of Antioch, became the bride of Mr. Glenn E. Crellin, son of Mr. and Mrs. Amos Crellin of Lincoln, Nebraska.

Reverend Donald Cobb officiated at the 2 p.m. double

ring service. Al Murphy was the organist and Ken Smouse the soloist singing "We've Only Just Begun", "Bridge Over Troubled Waters" and "Lord's Prayer". A reception was held at the Holiday Inn in Gurnee.

Wendy Jensen, sister of the bride, acted as maid of honor and John Lloyd was the best man.

The bride wore a floor length gown of organza and venise lace. The bodice was fashioned with a mandarin neckline, lace daisies, and lantern sleeves. An A-line skirt was bordered with scalloped venise lace and a full chapel length train trimmed with scalloped venise lace. The bride wore a Juliet cap with imported illusion bouffant veil.

Melonnie is a graduate of Antioch High School and Drake University. Glenn is a senior at Drake.

After a honeymoon trip to Wisconsin the Crellins will be at home in Des Moines, Iowa on August 15.

Some clear night take the time to go up to the John Hancock Center Observatory in Chicago. It's a breathtaking way to see the city. And get your tickets now for Blood, Sweat & Tears at the Auditorium on September 10 and 11. They're quite a group, having put on a fantastic show last month with several encores.

It seems you can't go into the Jewel without running into a few old faces from ACHS. DAVE LONGLY has worked at the Jewel for several years making his college money. He's got a long way to go yet though since he aspires to a law degree. Right now Dave is a sophomore in pre-law at Augustana College in Rock Island.

When KAREN WALKER isn't working at the sausage shop at the Jewel, she's outside working at keeping the tan she got in Florida over Easter. Karen is a sophomore at the College of Lake County hoping to teach in junior high someday. Florida seems to be Karen's favorite place, as she plans to transfer to Florida next year.

Working toward earning several seconds and thirds on her ponies at the Lake County Fair and ushering at PM&L has kept HEATHER HUNLEY busy this summer. Heather, a junior, majors in animal science at the College of Agriculture at the University of Illinois planning to enroll in the College of Veterinary Medicine as soon as possible. (The boy-to-girl odds in those classes are unbelievable, I hear!) Heather has pledged the Kappa chapter of Alpha Xi Delta sorority.

As I called ELLEN GASTON, she was finishing up some 2000 stencils she'd been working on for A & B Printing! For some relaxation after work Ellen can swim and water ski a lot since she lives right on Petite Lake. A senior at Knox College in Galesburg, Ellen worked on a physics major for

three years but has changed to business administration. When she finishes college, well, Ellen plans to move out of the midwest, get a job in business administration, and work toward her masters degree in the evenings.

HERMAN - FRIDAY

Faith Evangelical Lutheran Church was the setting of the June 26 wedding of Lois Herman, daughter of Mr. and Mrs. James Herman of Antioch, and Jerry Friday, son of Mr. and Mrs. Harry Friday of Markesan, Wisc.

David M. Ponath officiated at the 12 Noon double ring ceremony.

A gown of silk organza trimmed with threaded Venise lace on a high rise waistline with bishop sleeves trimmed in lace was worn by the bride.

Linda Herman was her sister's Maid of Honor and Douglas Drager, brother-in-law of the groom, was Best Man.

A reception was held at Rustic Manor and the couple honeymooned in Wisconsin.

Mr. Friday will be an August graduate of Wisconsin State University-LaCrosse and the bride is also a graduate of WSU.

Mr. and Mrs. Friday will make their home in Markesan, Wisconsin.

## Linda Lance Capped

In a luncheon ceremony held at the Country Squire, fourteen students were awarded caps as graduates of the College of Lake County Dental Assisting program. Linda Lance, a graduate of Antioch Community High School and a resident of Lindenhurst, was among those honored.

Dr. Richard Erzen, president of the college, presented each of the graduates with a Certificate in Recognition of completion of the Dental program. Graduates were informed that they are now eligible to take the certifying examination of the American Dental Assistants Association on October 6.

Sue Peterson, coordinator of the Dental Assisting Program, indicated that eleven out of fourteen graduates have been placed as Dental Assistants in various offices of Lake County.

Mr. and Mrs. George Hawkins of Antioch announce the engagement of their daughter Lark to Mr. Drew McCoy, son of Mr. and Mrs. Ernest McCoy of Colorado Springs, Colorado.

Both Lark and Drew are graduates of the University of Colorado in Boulder. Drew is employed as a chemical engineer by Texaco in Richmond, Virginia where they will reside following their wedding on Sept. 25.

## Along the Way with *Annie Mae*

Oh, to be young again! Four boys from Channel Lake area mapped out a route on county roads and pedaled their bikes 110 miles to Madison, Wisconsin. They slept overnight at roadside parks. The first day they rode over 65 miles. No troubles reported except that one boy had four flat tires in one day. These hardy boys are JIM MORGAN, MIKE HARLAND, GEORGE PIERCE, and JEFF GUTOWSKI. Three Antioch boys became adventurers too. FRANK ABDERHOLDEN, MIKE COSTOFF, and DAVE RUSH biked their way to Lake Geneva to camp for 3 days and 2 nights. Dave got a flat tire also, but being an odd size tire he had to walk about 4 miles to reach their destination. The weather was good, they got enough to eat and the tire was finally repaired. They are hoping to do it again.

MRS. GEORGE MURRIE of State Line Road and her sister Evelyn Ames from Zion recently returned from a lovely three week trip to California. Helen visited with friends from 1945 when they lived in Oxnard. Evelyn's daughter Donna gave them the grand tour including Disneyland and Hurst Castle.

BARB AND RAY GALLAHER & FAMILY just returned from a week vacation. Their tour included Springfield, New Salem, Mark Twain's home in Hannibal, Missouri, and the most interesting place they visited was in Arcola, Ill. where the Amish people live, 18th century style. Move over, here comes the horse and buggy.

JOANNE & JOHN K'MILLER of Columbus, Ohio were here visiting Joanne's parents, Mr. and Mrs. Laddie Masek of Antioch. (The fella who keeps our library spic and span)

Congratulations to the Antioch Drugs baseball team. They took first place for the second year in a row. Their manager Bill Underhill can take a lot of credit for these boys, as they chatted up a terrific season record of 13 wins and only one loss.

While on that subject, which has finally drawn to a close, the Little League tournament team came home from Gurnee tournament Sunday with a beautiful second place trophy.

Liquor stores had better stock up on GINGER BEER. Someone in town is just turning 21 so maybe they'll let her buy it now.

On Wednesday last, AGNES AND CHARLES FERRIS of the Antioch Airport, were guests of Frank and Jean Benes, as the two couples flew to Oshkosh, Wisconsin for the yearly air show. There were experiment planes (over 730) on display. The Goodyear Blimp was also there. This must be a very large show, as over 6,000 campers were there to see the show also.

HAPPY ANNIVERSARY on their 20th to STU AND PHYLLIS GOOD who will be

celebrating in their new cabin in Wisconsin... and to ART AND ELIZABETH ANDERSEN for twice as many years on their 40th.

Get well to KEITH GEORGESON and JOANNE BJORK, and up in Salem to ART FELDKAMP and ART SCHONSHECK.

The RUNYARD FAMILY of Channel Lake held a large family reunion in Richmond on Sunday. Must have been on the good side of the weatherman.

Last Monday was the Rescue Squad Pool Party! A little cool, but good food and fun.

The AHS CLASS OF '61 had a full day of reminiscing Saturday. Maybe the high school should start a girl's golf team, eh, Joanne? Mr. Dittman isn't supposed to know his nicknames.

HAPPY BIRTHDAYS on August 13 to GLADYS WALLACE, DIANE COSTOFF and NEIL LULOFS and CHRIS WALPOLE. They're all of Garys Drive so maybe they'll have a combined party! A special Happy Birthday to Ellen Gaston on August 15 and BARB RUSH on August 13 too!

An early Happy Anniversary was celebrated by FATHER HENDERSON as he's been in Antioch for 20 years. Bishop Dempsey of Chicago celebrated the mass for him.

Many surprises are in store for you if you'll be attending the Salad Bar Luncheon on Saturday, August 14 starting at Noon, at St. Peter's Social Center. See ya there!

Elizabeth and Arthur Andersen celebrated their 40th wedding anniversary with an open house at the Moose Lodge in Antioch on Sunday, August 7. They will have been married 40 years on August 14. The Andersens have lived in Antioch all of their lives, and as Art says, "There have been many changes made."

Mrs. Andersen works at Pickard China and Mr. Andersen works at Antioch Community High School. Helping with the gala affair were their two daughters and families, Mrs. Richard (Judith) Kelly and Mrs. Gordon (Uldine) Wells. The Andersens have seven grandchildren.

### 43rd Anniversary Celebrated

Bernard and Helen Gutowski of Grass Lake were treated to a surprise dinner party at Andre's Steak House last Saturday evening. The occasion was their 43rd anniversary, and all of their children were present.

From Antioch were Frank and Jean Benes, Joe and Louise Gutowski, Barbara and Les Miller and Bernie and Shirley Gutowski. Ronnie and Pat Serwa came from Lake Villa and Mel and Dolores Stillson came from DeKalb.

This is the first time the family had seen Mel and Dolores since their return from Europe when they spent six weeks sight-seeing and visiting Mel's sister Dee and her husband who live and teach in Iran.

### Class of '61 Holds Reunion

The 1961 class of Antioch High School held a class reunion at Bristol Oaks Country Club on Saturday, August 7.

There was a fine turnout of about 100 people, about 60 members of the class with their husbands and wives. Winning a prize for coming the farthest was Dottie Close, now Mrs. Thomas Hardy, from San Jose, California.

A golf outing was held during the day with Don Olson of Antioch winning the best golfer award.

Master of ceremonies for the evening was Joe Etten. Mr. and Mrs. Albert Dittman, Mr. and Mrs. Warren Polley, and Mr. Mel Stillson were honored guests at the reunion. Mr.

Dittman received many laughs as he recalled that he was known to the class of '61 as "Warden Dittman" their freshman year, but had become "Big Al the pal" by the time they were seniors!

## Antioch Adventurers Add 4 Champs

July 19 - 23 have been days of excitement and suspense for hundreds of Lake County girls enrolled in 4-H Home Economics projects.

On Tuesday, July 20, Sue Hevrdejs of Antioch was named a top demonstration winner in the Foods Demonstration Contest.

But, the big day for the Antioch Area girls was Friday evening, July 23 when the Dress Review provided an exciting climax to a year's work and a busy week of judging and modeling. Antioch 4-H members captured 7 out of 9 Grand Champion awards.

Over 500 parents, members and friends attended the annual affair. The Grand Champions were announced by Mrs. Ralph Sandri, County Home Economics 4-H Chairman.

The Grand Champions were: Beginning Sewing - Phase I - Audree Kapischek; Beginning sewing - Phase II - Karen

Kirschke; Beginning Knitting - Oksana Paly; Intermediate Knitting & Crocheting - Allison Hevrdejs; School Clothes - Julie Mirocko (Lake Villa); Sports, Loungewear & Slacks - Rosline Scheske; Best wear - Silvia Meuter; and Tailoring - Linda Lagerstrom.

On Thursday, July 29, eight advanced flower arrangers and twenty beginning flower arrangers were judged as they worked before two judges who graded each girl individually.

The Grand Champions were Joyce Miller of Volo Busy Bees and Allison Hevrdejs of Sequoit Suzies, Antioch. The Grand Champions have the opportunity of representing Lake County at the Illinois State Fair at Springfield, August 13-15, and take part in the Flower Arranging activity there.

Another 4-H division that

Antioch did well at the Fair was the Dog Show. The show was held on Friday, July 18 and displayed some exceptional performances. The highest scoring dog of all four divisions was a Black Labrador Retriever owned by BRUCE SCOTTBERG of Chain O'Lakes 4-H Club. Bruce and "Charles" scored 159 out of a possible 160 points in the Pre-Novice A 13-17 year age group.

In the dog care and grooming division, MIKE SEDLAUSKAS of Chain O'Lakes with his beagle in the second year class; PATTY OGDEN with her mixed shepherd were awarded rosettes.

KAREN KOHL, Chain O'Lakes, Novice, won an award in the Reserve Champions in dog obedience.

And last but not least, in the dog grooming Reserve Championship, LORI ESSER, Chain O'Lakes won in her 1st year.

## Dress Review Climaxes 4-H Year

Four more grand champions joined the ranks of the Antioch Adventurers. Violet Meuter won the award in Pebble Pups I, Karen Kirschke is Pebble Pups II and Susan Meuter in Milk and Eggs for her meringue shells. Every Year there is a bicycle contest featuring three events-condition of bicycle, precision riding and coasting. Pat Solar, of the Adventurers, won grand champion in this contest.

Other awards for the club are as follows:

## CHRISTIAN SCIENCE CHURCHES

The importance of unselfish love in building a constructive marriage will be emphasized at Christian Science church services Sunday.

Bible readings will include this verse from Genesis: "And Jacob served seven years for Rachel: and they seemed unto him but a few days, for the love he had to her."

From SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy the following citation will be read: "Marriage should improve the human species, becoming a barrier against vice, a protection to woman, strength to man, and a centre for the affections."

The Lesson-Sermon is entitled "Soul". Services begin at 11 a.m. at First Church of Christ, Scientist, Beacon Hill, Rt. 173 & Harden, Antioch, Ill. The public is always welcome.

## Lulofs Back From Europe

THE CORNELIUS LULOFS family of 591 Gary's Drive recently spent five weeks in England where they attended the June 12th wedding of their son Sgt. Martin Lulofs and Miss Lynne Davis.

It was also a trip home for Mrs. Lulofs as she was born in Norfolk, just a few miles away from where Martin is stationed with the U.S. Air Force in Mildenhall, Suffolk.

The wedding was held in the Base Chapel with 70 guests attending, including his Grandmother from Norfolk and his paternal Grandmother who flew over from the Netherlands for the occasion, and his Aunt Tina from Chicago. His brother Neal was an usher.

After visiting relatives and friends in various parts of the country, the Lulofs drove up to Scotland by way of the Yorkshire Moors and the beautiful Lake District of England. In Scotland they saw the picturesque Loch Lomond and Edinburgh Castle.

While visiting friends in Colchester, Essex, they realised what a small world it really is: another Antioch resident had recently been there. These friends had met SHIRLEY STANICH when she was there last fall with her English friend from Glenview.

Neal discovered, much to his embarrassment, that even though English is spoken in the United States, the same word can have two entirely different meanings. When checking in for the night at a hotel in

Scotland, his Dad asked for a cot for Neal. Imagine his surprise and embarrassment when he went to bed and found a baby's crib in the room. The maid who had thoughtfully hung his pajamas over the crib must have thought him an awfully big "baby". Neal incidentally is 11 years old. His mother couldn't stop laughing when she realised what her husband had ordered as a cot in England is a baby's crib in America. Neal failed to see the joke, and it will be a long time before he lives this down as they have a snapshot of the crib and pajamas to remind him of it.

Even though they had a lovely time visiting family and meeting their new daughter-in-law for the first time, the Lulofs were happy to be back in Antioch and to be home again.

## BERGSMA WINS 30 LAP FEATURE AT WILMOT

Ron Bergsma, Richmond, Ill. IRA Super modified stock car driver, uses a Plymouth Wedge engine in his No.43 stock car. It is identical to the engine now used by NASCAR stock car star Richard Petty in his No. 43 electric blue Plymouth late model stock car. Saturday night at the Kenosha County Speedway in Wilmot, Bergsma rounded out the similarity to the million dollar NASCAR Champion by winning the 30 lap feature race.

It was the first win for Bergsma in an IRA feature since he won at Raceway Park in Blue Island on June 7 of last year. Bergsma became the 7th different IRA driver to win at Wilmot in 11 races completed this season and the first non-Chevy powered feature winner there in more than two years.

He started outside in the first row, took the lead from pole starter Harold Wade, Gurnee on the back straightaway and led every lap. His margin at the end was probably greater than enjoyed by any other driver of the season. In victory circle he gave credit to a shakedown run on the previous night at the Grundy County Speedway where he made several test laps in anticipation of possible sanction by IRA at that track when the season closes at Wilmot on September 4.

Bergsma's win ended the two in a row streak by point leader Johnny Reimer, Caledonia. Reimer worked his way up to 3rd but couldn't move around Roger Otto, Burlington before the checkered flag fell. Al Schill, Franksville was 4th with team mate Jim Boehles, Hales Corners getting fifth.

Defending IRA Champion, Whitey Harris, Lake Villa was a late starter in the feature race. His car had been damaged in a heat race accident and he drove the first alternate starter's car belonging to Roger Isles, Waukegan. Isles raced in the semi-feature but spun out. Insufficient time remained for the crew to fuel the car and adjust the seat belt and drivers shoulder harness for Harris and he drove onto the track just as the feature started. He finished 15th and lost further ground in the point battle with leader Reimer.

Again the large field of 54 modifieds produced the extra 5th heat race and the added 12 lap consolation race. For Bergsma it was a night with a double victory as he was the winner in the fifth heat. Others were won by Ray Dropp, Palatine, John Rank, Milwaukee, Roger Otto and Paul Cameron, Round Lake. Cameron also won the 15 lap semi-feature race. IRA Senior Citizen driver Pop Kline, Genoa City won the consolation race.

The Sportsman stock car feature was a much closer up-front race than the super modified race with Joe Gresk, Franklin and Jim Steckling, West Allis, running wheel to wheel for several laps while fast qualifiers Jack Ashenbrenner, Hales Corners and Wes Eckert, Greenfield worked their way through from the back.

When they finally got behind the leaders, Eckert was lined up tightly behind Gresk

who now was edging slightly ahead of Steckling who was followed closely by Ashenbrenner. This gave Eckert the slight advantage he needed and he soon moved into the lead with Ashenbrenner quickly changing lanes and following suit.

The win went to Eckert who just outraced Ashenbrenner for the remaining laps. Eckert had just been re-instated in IRA following a full apology to Officials for verbal abuse and an attempt to organize a drivers strike at Wilmot two

weeks ago.

A high of 36 Sportsman stock cars produced four 10 lap heats which were won by Dave Zilmer, Silver Lake, Lou Mierendorpf, Oak Creek, Don Schmitz, Kenosha and Ashenbrenner. Zilmer came back to win the semi-feature race over Craig Lake and Denny Jackley.

Attendance was 3963 and the drivers purse \$3750.00. This Saturday night will be Kenosha County Fair night at Wilmot and the drivers will race for the Fair Championship Trophy to be presented by the Queen yet to be named.

## Reimer Competes In USAC Race

Johnny Reimer, Caledonia, competed in the USAC late model stock car race at the Wisconsin International Speedway today but didn't do as well as the winner there Bobby Unser. Reimer lost oil pressure in his Camaro and returned while running 12th. After flying to the Playboy Airport in Lake Geneva, he did a complete turn around of events and won a very thrilling 30 lap feature race in the IRA Super modifieds.

Reimer took the lead and the win away from Lake Geneva Raceway point leader Whitey Harris, Lake Villa, on the 18th lap. Their battle before the lead change was one of

the highlights of the season.

Heat race winners were Jim Cameron and Bill Bohn, both of Kenosha, Jim Sullivan, Fox Lake and Al Schill, Franksville. Bohn also won the semi feature race taking the lead away from popular Pop Kline, Genoa City.

In the Sportsman Stock Car events, Wes Eckert, Greenfield made it two feature wins in as many nights as he beat Jack Ashenbrenner here again tonight.

Heats races were won by first Eckert and the Ashenbrenner. The race program moved swifter than usual at Lake Geneva with all the restarts coming in the spectator stock car events.

Jim Bozeman, Waukegan modified stock car driver, will be among the drivers favored to win the 1971 Kenosha County Fair Championship Race this Saturday night at Wilmot, Wisconsin. Bozeman has won at Wilmot already and says he is ready to repeat a previous victory for the rich fair date. Fair goers can take in the exhibits, displays, and midway both before and after the 14 events of stock car racing.

## Harris Favored Date Race

This Saturday night, August 14, the super modified stock cars of the Interstates Racing Association will be supplying the auto racing action for the 1971 Kenosha County Fair at Wilmot, Wisconsin.

A 14 event program including Sportsman stock cars and the super modifieds will start at 8:30 p.m. with time trials earlier at 7 p.m.

Nearly 100 cars will be on hand to greet fair goers who will be able to take in the exhibits, displays and midway prior to the auto racing program.

Leading the list of super modified stock car drivers is Johnny Reimer, known as the "Caledonia Clipper" who has already accounted for 5 wins in feature race competition at Wilmot and leads the overall point standings for the super modifieds.

Defending Champion Whitey Harris, Lake Villa, will

be favored. His bad luck has been running in alternate weeks and this week should be his week for improved competition. Last week his car was damaged in a preliminary heat race collision and he wound up driving another in the feature. Harris can be counted upon to go the limit for a win Saturday night in the rich Fair Date Race.

Other top contenders will be Jim Sullivan, Fox Lake; Jim Bozeman, Waukegan; Ron Bergsma, Richmond; Tom Anderson, Antioch and Al Schill, Franksville. All have won features this season at Wilmot.

Most of the super modifieds use fuel injected hi-performance Chevy engines but Plymouths, Fords and Buicks have also been successful. Super modifieds are any modified version of an automobile body or can be a race car body design. All cars however must have a complete self-starting system and full transmission and clutch. These are necessary because super modifieds never use yellow flags in racing competition. A disabled car on the track is expected to move out of the way while the cars continue to race and change positions.

## "Also - rans" at Waukegan Speedway

August 7, 1971 - It was a big night for some of the "also-rans" Saturday night at the Waukegan Speedway as Lou Clavey of Deerfield and Gary Zobel (Mundelein) finished second and third respectively to Tom Jones (Northbrook). It was Jones' 7th feature win on the year.

The feature was off to a rough start as Norm Zenko of Highland Park spun at the green flag and took a trip through the infield. He slid back on the track in the first turn and eventually collided with Jim Cossman (Waukegan). Both cars dropped out shortly thereafter with flat tires.

Roy Acuff (Chicago) led the first five laps before Clavey slipped by. Acuff hung right in there running his best race ever, holding fourth spot until the 26th lap.

Clavey led until the 12th lap when Jones got by, but then Clavey drove the best race of his life to take second money. Meanwhile Zobel, a rookie this year, kept turning in smooth laps for third spot.

Carl Major (Chicago) finished fourth in the race after spinning midway in the event. Major had to pass Acuff, Al Gutche (Bristol) and Bob May (Gurnee) in the final five laps to move up that far.

The Cabrera brothers of Chicago finally got together Saturday. . . in a collision, that is. . . in the first heat race. Ralph and another car tangled in the first lap and Frank dodged to the infield to avoid the tangle, but ended up ramming the back of his brother's car in the process.

Then Ralph restarted and pulled into the infield as Frank tried to pass him on the inside, and they nearly collided again. Both were running at feature time, finishing 10th and 18th respectively.

The hobby feature was a tight affair with five cars running under a "blanket" for the lead in the middle of the race. Tom Edwards (Zion) came out of the group the leader and winner with J. P. Gatti (Chicago) getting second and Tom Hickie (Waukegan) fourth. Skip Don (Waukegan) and Tom Reuss (Wildwood) weren't so lucky as they crashed in the excitement in separate accidents. Bob Klemm of Gurnee finished third.

The third hobby heat was a thriller as Reuss and Ted Richter raced wheel-to-wheel in the final lap. Reuss, gained the lead, but then lost it to Richter in the final straight-away in a photo finish. Richter however was going so fast that he crashed into the first turn wall after the win. Reuss, the sportsman he is, then gave Richter a ride around the track on his car's hood with the checkered flag.

Trophies were presented at the State Bank of Antioch Third Annual Invitational Swim Meet, held on August 1 in conjunction with the Antioch Lions Club Chicken Bar-B-Q Picnic. First row, left to right, Kenosha Recreation Coach, Allan Zimmerman, Captain, Mike Lorberter, with the fourth place trophy. Antioch Swim Club Coach, Marty Berry, Team Captain, Barb Dodd with the third place trophy. Kenosha Town Club Coach, Al Palmer, and Captain Amy Lubek with the fifth place trophy. Back Row, left to right, Kenosha AAU Club coach, Jerry Burmeister, Assistant Coach, Carl Millholland, Team Captain, Jane Cowen, accepting the first place trophy from Preston Reckers, of the State Bank. Sam Wagner, coach of the Fox Point Swim Club with the second place trophy, and Team Captain of the Fox Point Swim Club, Donna Beverage.

## Young wins in photo-finish

Waukegan, August 8, 1971 - It was another one of "those" nights Sunday at the Waukegan Speedway as everyone seemed a little hungry in the late model feature with a wild conclusion the result. Ray Young (Dolton) was declared the winner in a photo finish with Jim Cossman (Waukegan) at the end of 30 laps.

Rich Oertel (Palatine) and Carl Major (Chicago) were dicing for the lead in the 27th lap when they tangled, bumped and spun into the infield and out of the lead with Young Cossman and Bob May blazing by running one, two, three respectively.

With the lead, or rather than third spot, in question Cossman put the pressure on Young closing in at the white flag and then pulling inside in the fourth turn on the final lap. In the sprint to the checkered, Young won by less than a foot. . . in fact he came to the pit gate and asked those within ear-shot of the loud-speakers who had won the race.

The feature got off to a rough start as the Midwest Racing News pace car left the track, the two lead cars tangled before the green scattering cars everywhere. Two restarts were required then to get the opening laps in.

Oertel gained the lead from Jim Couch (Grayslake) in the 4th lap and held a quarter lap on Major at the half-way mark. Major closed in and was on Oertel's bumper in the 24th lap and then when he moved inside on the 27th lap, the two tangled in the first and second turn. . . each taking a trip through the infield.

Young, May and Cossman had swapped spots in the early going and all slammed together in the 9th lap after Saturday's feature winner, Tom Jones of Northbrook overheated and slowed down in front of the trio while running second.

Tom Edwards grabbed his second straight hobby feature win as he edged Tom Reuss in a thriller. Bob Klemm took third money after being the early leader.

Oriole running to first base.

## Dodgers & Orioles Play Close Game

The game between the Orioles and the Dodgers was close, but the Orioles won as they kept the lead throughout the game.

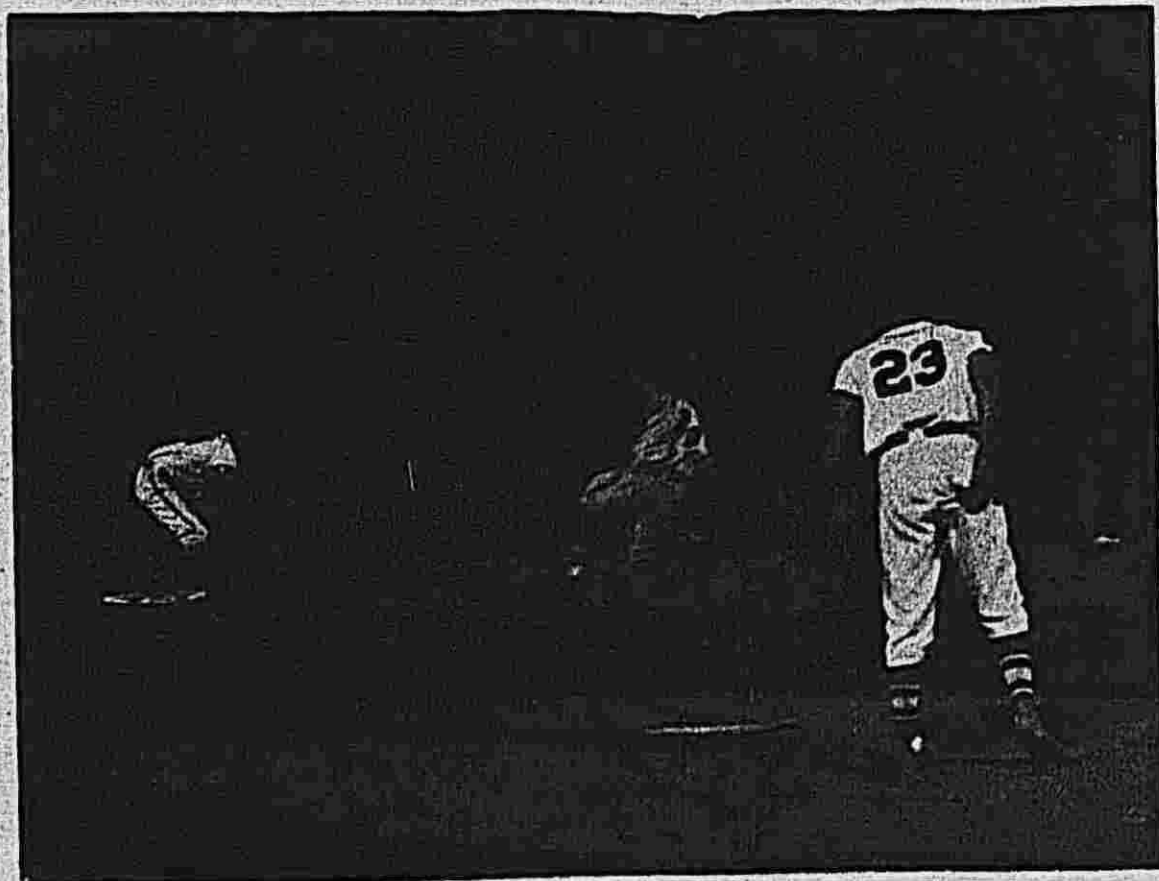

Playing two scoreless innings, it was the top of the third before the Orioles got on the scoreboard. Billy Seemann advanced to first after being hit by a pitched ball. Paulos watched four balls go by, Caldwell is walked and Holt drives in two runs with a single. Nohava drives in a run on a fielder's choice and the inning

ends.

The next scoring was done by the Dodgers in the fourth as they score two runs off of Bried's base on an error, two walks and a single by Hampton.

The excitement dies down until the last inning as Holt scores for the Orioles and Murphy scores for the Dodgers.

Final score Orioles 4, Dodgers 3. Winning pitcher, Caldwell; losing pitcher, Hampton.

Yankee pitcher Don McGrain watching Giant runner slide into second.

## Yankees bomb Giants 8-2

Not even close as the Yankees overtook the Giants in an 8-2 win.

The Yankees put in Don McGrain as pitcher and he pulled through with a four hitter.

The Giants lead off batter scores as he is pushed around by Miller and Bogaerts. The Yankees didn't score for the first two innings. But, after the Giants score in the third the Yankees managed to push Zitkus across for the lone run. With three up and three

down for the next two innings the teams rest. But, the Yankees tie the game up in the sixth and the game went into extra innings. The teams remained deadlocked through the seventh but the Yankees explode in the eighth with six runs off the bats of Proctor, who gets a triple, Zitkus, Kessler, Lagerstrom, McGrain, Warner and the younger McGrain.

Winning pitcher, McGrain; losing pitcher, Young.

## LITTLE LEAGUE TOURNAMENT RESULTS

The Antioch Little League Tournament team played Lake Forest Saturday, August 7, which put them in the semi-finals. They won 8-4. Highlights of that game were home runs hit by Mike Holt and Jim Grippando. Jim Pearlstrom did an excellent job of pitching, and he was followed by Dave Boegarts and Dave Zitkus who pitched the last 3 innings.

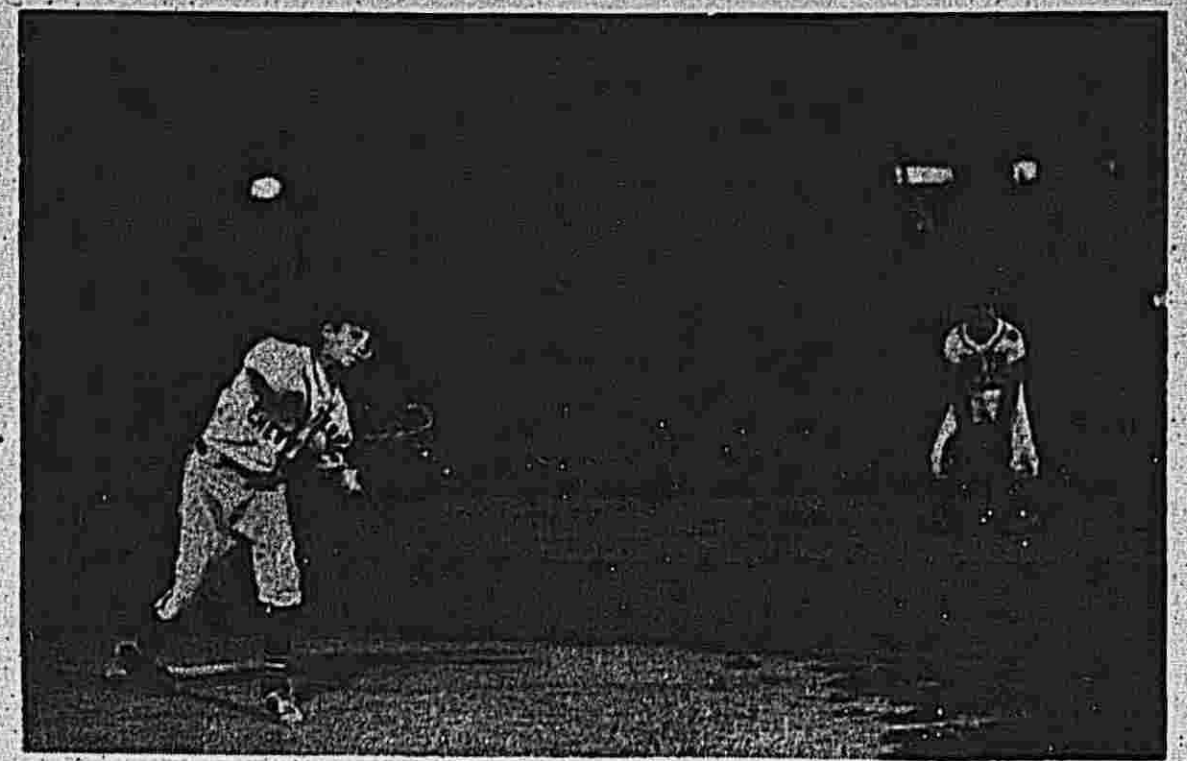

On Sunday, the team was pitted against Lake Bluff. This is the only team that beat Antioch, and they were undefeated. Matt Warner started pitching for Antioch, and was relieved in the 4th inning by Jim Pearlstrom.

The Lake Bluff team came on strong, and piled up 6 runs early in the game. We couldn't seem to get any solid hits, and the final score was 6-0.

Lake Bluff took home a 1st and the Antioch team has a nice second place trophy to show for their efforts.

## Yankees Hit 3 Homers

As this was Mr. Kessler's last game as coach for the Yankees, the team decided to make it a memorable one.

For the Yankees there were three homeruns, one by Richard Kessler and two, including a grand slam home run, by David Lagerstrom. Along with these seven runs, the Yankees hit in 17 more runs in more conventional style.

The Orioles had quite a game too, as Holt and Nohava cracked home runs. But the Orioles could not catch the rampaging Yankees.

The Yankees had 24 runs on 24 hits with 5 errors.

The Orioles had 6 runs on 7 hits and no errors.

Winning pitcher, Andrews; losing pitcher, Lischewski.
